Assessment Scores

Test: Flash CS3   Detail Report

This report is confidential and its contents are intended to assist in the prediction of an applicant's work behavior. If you would like more information about this interpretive report or other products that PreVisor offers, please contact your account representative.

Score: 2.35
Proficiency Level: Basic (1.51 - 2.50)
The candidate demonstrates an understanding of basic concepts of Flash CS3, including:

- Symbols and Library
- Animation and Tweening

The candidate may be proficient with intermediate Flash CS3 concepts, such as:

- Action Script 3.0
- Flash Interface
- Publishing
- Text

The candidate will likely be challenged by more advanced Flash CS3 concepts such as:

- Sound and Video
- Runtime Environment

Candidates scoring at the Basic level would benefit from formal training or self study in order to become more effective in Flash CS3.

Percentile Comparisons
The percentile score indicates how well the candidate scored relative to other candidates in the comparison population indicated by the score.

Percentile Comparisons

	Low	Medium	High
Percentile	30	70	100
Global Population	12 ◆		

Time Summary:

Time Taken (mm:ss):	01:00
