### Details

|                                      |                            |
|--------------------------------------|----------------------------|
| Average Testing Time (minutes)       | 26 minutes                 |
| Allowed Time (minutes)               | 90 minutes                 |
| Maximum Number of Questions          | 30 questions               |
| Number of Sitzings                   | One                        |
| Designed for Unproctored Environment | Yes                        |
| Question Format                      | Multiple Choice - Adaptive |
| Product Category                     | Brainbench IT              |

### Knowledge, Skills, Abilities and Competencies Measured

Measures knowledge of the following areas of the HTML 4.0 programming language:

- Advanced HTML
- Browsers
- Components
- Document Information
- Forms
- Frames
- Images
- Links
- Lists
- Page Structure
- Style Sheets
- Tables
- Text
