Score: 2.7
Proficiency Level: Proficient (2.51 - 3.50)

The candidate has mastered the basic concepts of Project Management (2013), including:

- Project Management Methodologies
- Project Management Characteristics
- Project Stakeholder Management
- Project Communications Management

The candidate demonstrates a clear understanding of intermediate Project Management (2013) concepts, such as:

- Project Time Management
- Project Human Resource Management
- Project Quality Management
- Project Scope Management

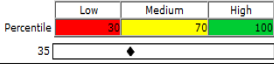

The candidate may have some knowledge of more advanced Project Management (2013) concepts such as:

- Project Cost Management
- Project Risk Management
- Project Procurement Management

At the Proficient level, the candidate will be capable of working on most projects involving Project Management (2013) with minimal assistance. However, the candidate will probably require more assistance with advanced concepts.

Percentile Comparisons
The percentile score indicates how well the candidate scored relative to other candidates in the comparison population indicated by the score.
